CAREER OBJECTIVE

Full Stack Trainer with practical knowledge of Python, Flask, HTML, CSS, JavaScript, SQL, MERN, and Git. Experienced in teaching full stack web development and helping students build real-world projects. Good communication skills and dedicated to guiding learners to improve their coding and problem-solving abilities.

EDUCATION

Bachelor of Engineering | Computer Science and Engineering

04/2023

Dhanekula Institute of Engineering And Technology-JNTUK

CGPA : 8.3

Intermediate | MPC

Narayana Junior College

GPA : 9.2

Secondary School Education

NRI's Indian Springs

GPA : 9.7

TECHNICAL SKILLS

- | | | | |
|--------------|----------|------------|-------------|
| • Python | • HTML | • CSS | • Bootstrap |
| • Javascript | • MY SQL | • Vercel | • Flask |
| • Node | • React | • Mongo DB | • Express |
| • Angular | | | |

PROFESSIONAL EXPERIENCE

Full Stack Trainer (3 Years-Free Lancer)

- Delivered **Comprehensive training** on **Python, Flask, HTML, CSS, JavaScript, SQL and MERN**.
- Facilitated **hands-on sessions** and **supervised real-time web development projects**.
- Provided academic support through **doubt clarification, code reviews, and assessments**.
- Mentored students for technical interviews with **mock sessions** and **coding practice**.

PROJECTS

SNM Application

Python, Flask, HTML5, CSS3, Bootstrap, JavaScript, MySQL

- Built a responsive notes and file management system with user-specific dashboards.
- Added login, sign-up with OTP email verification, and secure data handling.
- Enabled users to add, update, delete notes/files and export data to Excel.
- Stored all user data securely in MySQL; deployed on PythonAnywhere.

Weather Application Using React

- Developed a React-based Weather Application that retrieves real-time weather data using the OpenWeatherMap API.
- Implemented city-based search functionality to display temperature, humidity, wind speed, and weather conditions.
- Utilized React Hooks (useState, useEffect) for state management and efficient API data handling.
- Designed a responsive and interactive user interface with dynamic weather icons and modern UI styling.

Auto Mobile Spare parts & Online Mechanic Using Flask

- Developed a web application using Flask and MySQL that allows users to browse automobile spare parts and request online mechanic services.
- Implemented user authentication and database integration to manage customers, mechanics, and spare parts information.

- Designed modules for spare parts listing, service requests, and mechanic booking, enabling users to connect with mechanics easily.
- Built a responsive interface using HTML, CSS, and Bootstrap, ensuring smooth interaction between the frontend and Flask backend.

WORK EXPERIENCE

FullStack Trainer-St.Mary's Engineering College

- Conducted FullStack training for engineering students at St.Mary's Engineering College.
- Focusing on programming fundamentals and practical applications.

FullStack Trainer-Tirumala Engineering College

- Conducted FullStack sessions at Tirumala Engineering College.
- Mentoring students in coding practices and problem-solving skills.

Codegnan IT Solutions-Web Development Trainer

- Served as a Web Development Trainer at Codegnan IT Solutions.
- Guiding learners in modern web technologies and assisting them in developing industry-ready applications.

FullStack Trainer-Vijaya Institute Of Engineering & Technology

- Conducted FullStack training sessions at Vijaya Institute Of Engineering & Technology, covering fundamentals to advanced concepts.
- Guided students through coding exercises and mini-projects. Mentored learners to apply Python in real-world problem solving.

Web Technologies Trainer-MRDU

- Serving as a Web Technologies Trainer at MRDU, delivering training on core web development concepts including HTML, CSS, JavaScript, and full-stack fundamentals.
- Guiding learners in modern web technologies and assisting them in developing industry-ready web applications.

CERTIFICATES

- | | | | |
|---------------------------------|---------------------|------------------------|--|
| • HTML,CSS,Javascript-Sololearn | • Python-HackerRank | • Mern Stack Developer | • PHP and MY SQL-IIT Bombay,Azure Basic-Scaler |
|---------------------------------|---------------------|------------------------|--|

SKILLS

- Collaborative teamwork
- Innovative problem-solving
- Effective time management
- Strong verbal communication

ACHIEVEMENTS

- Achieved Sergeant in National Cadet Corps (NCC), showcasing leadership and discipline.
- Active participant in National Service Scheme (NSS), enhancing social responsibility & teamwork.
- Achieved prizes in Throw Ball, Kabbadi and Kho-Kho.
